

Suddenly

I only dreamed that I would find
A loving heart, an open mind
To see the real me
And I hoped that you would be the one

A chance to talk, a chance to grow
I'll take the risk, let my feelings flow
I've found the words I need to say

Suddenly you're seeing me just the way I am
Suddenly you're hearing me
So I'm talking just as fast as I can to you
Suddenly every part of me needs to know every part of you

Now I know that you are mine
You bring me your love and peace of mind
You see the real me and I know that you're the key

Chorus

Suddenly you're seeing me just the way I am Suddenly you're hearing me
So I'm talking just as fast as I can to you Suddenly, honestly.
You're all I want, all I need you to be 'coz
Suddenly every part of me needs to know every part of you
Just you, it's you

Sloop John B

We come on the Sloop John B
My grandfather and me
Around Nassau town we did roam
Drinking all night Got into a fight
Well I feel so broke up I want to go home

**So hoist up the John B's sail
See how the main sail sets
Call for the Captain ashore
Let me go home,
Let me go home I want to go home, yeah yeah
Well I feel so broke up
I want to go home**

The first mate he got drunk
And broke in the Cap'n's trunk
The constable had to come and take him away
Sheriff John Stone
Why don't you leave me alone, yeah yeah
Well I feel so broke up, I want to go home

Chorus

The poor cook he caught the fits
And threw away all my grits
And then he took and he ate up all of my corn
Let me go home
Why don't they let me go home
This is the worst trip I've ever been on

Chorus

Scarborough Fair/Canticle

Are you going to Scarborough Fair?
Parsley, sage, rosemary, and thyme
Remember me to one who lives there
She once was a true love of mine

Tell her to make me a cambric shirt (in the deep forest green)
Parsley, sage, rosemary, and thyme
(Tracing of sparrow on snow-crested ground)
Without no seams nor needle work
(Bedclothes the child of the mountain)
Then she'll be a true love of mine
(Sleeps unaware of the clarion call)

Tell her to find me an acre of land
(A sprinkling of leaves)
Parsley, sage, rosemary and thyme
(Washes the grave with silvery tears)
Between the salt water and the sea strands
(And polishes a gun)
Then she'll be a true love of mine

Tell her to reap it with a sickle of leather
(Blazing in scarlet battalions)
Parsley, sage, rosemary, and thyme
(Generals order their soldiers to kill)
And gather it all in a bunch of heather
(A cause they've long ago forgotten)
Then she'll be a true love of mine

Are you going to Scarborough Fair?
Parsley, sage, rosemary, and thyme
Remember me to one who lives there
She once was a true love of mine

Sound of Silence

Hello darkness, my old friend
I've come to talk with you again
Because a vision softly creeping
Left its seeds while I was sleeping
And the vision that was planted in my brain Still remains
Within the sound of silence

In restless dreams I walked alone
Narrow streets of cobblestone
'Neath the halo of a street lamp
I turned my collar to the cold and damp
When my eyes were stabbed by the flash of a neon light That split the night
And touched the sound of silence

And in the naked light I saw
Ten thousand people, maybe more
People talking without speaking
People hearing without listening
People writing songs that voices never share
And no one dare Disturb the sound of silence

"Fools" said I, "You do not know Silence like a cancer grows
Hear my words that I might teach you Take my arms that I might reach you" But my words
like silent raindrops fell And echoed
In the wells of silence

And the people bowed and prayed
To the neon god they made
And the sign flashed out its warning
In the words that it was forming
And the sign said, "The words of the prophets Are written on the subway walls
And tenement halls"
And whisper'd in the sounds of silence

Be My Baby

The night we met
I knew I, I needed you so
And if I had the chance
I would never, never let you go
So please won't you say you love me Somehow I'll make you so proud of me We'll make
them turn their heads
Yes, we will, every place we go

So be my baby
(Be my, be my baby)
Be my baby
(My one and only baby) Say you'll be my darling (Be my, be my baby)
Be my baby now
Oh, oh, oh, someday

I'll make you happy, baby
You just wait and see
And for every kiss you give me I'm gonna give you three Since the first day I saw you
I have been waiting for you
I'll always adore you
And I'll love you
Right through eternity
So please be my baby

So be my baby
(Be my, be my baby)
Be my baby
(My one and only baby) Say you'll be my darling (Be my, be my baby)
Be my baby now
Oh, oh, oh, someday

Rolling in the Deep

There's a fire starting in my heart
Reaching a fever pitch and it's bringing me out the dark
Finally I can see you crystal clear
Go 'head and sell me out and I'll lay your ship bare

See how I leave with every piece of you
Don't underestimate the things that I will do
There's a fire starting in my heart
Reaching a fever pitch and its bringing me out the dark

The scars of your love remind me of us
They keep me thinking that we almost had it all
The scars of your love they leave me breathless, I can't help feeling

**We could have had it all (you're gonna wish you never had met me)
Rolling in the deep (tears are gonna fall, rolling in the deep)
You had my heart inside of your hand (you're gonna wish you never had met me)
And you played it to the beat (tears are gonna fall, rolling in the deep)**

Baby I have no story to be told
But I've heard one on you and I'm gonna make your head burn
Think of me in the depths of your despair
Making a home down there 'cause mine sure won't be shared

The scars of your love remind me of us (you're gonna wish you never had met me)
They keep me thinking that we almost had it all (tears are gonna fall, rolling in the deep)
The scars of your love they leave me breathless, I can't help feeling

Chorus x 2

Throw your soul through every open door
Count your blessings to find what you look for
Turned my sorrow into treasured gold
You pay me back in kind and reap just what you sow
we could've had it all
We could've had it all (tears are gonna fall, rolling in the deep)
It all, it all, it all, (you're gonna wish you never had met me)

Chorus x 2

Sweet Talkin' Guy

Sweet talking guy, talking sweet kinda lies
Don't you believe in him, if you do he'll make you cry
He'll send you flowers and paint the town with another girl
He's a sweet talkin' guy
(Sweet talkin' guy)
But he's my kind of guy
(Sweet talkin' guy)

Sweeter than sugar, kisses like wine
(Oh he's so fine)
Don't let him under your skin, cause you'll never win
(No you'll never win)
Don't give him love today, tomorrow he's on his way
He's a sweet talkin' guy
(Sweet talkin' guy)
But he's my kind of guy
(Sweet talkin' guy)

Why do I love him like I do
He's a sweet talkin'
(Sweet talkin')
Sweet talkin'
(Sweet talkin') guy

Stay away from him, stay away from him, don't believe his lyin'
(Stay away from him)
No, no, no you'll never win, no you'll never win, loser's in for cryin'
(No you'll never win)
Don't give him love today, tomorrow he's on his way

He's a sweet talkin'
(Sweet talkin')
Sweet talkin'
(Sweet talkin')
Sweet talkin'
(Sweet talkin')
Sweet talkin'
(Sweet talkin') guy
Stay away from him
(Sweet sweet, sweet talkin' guy)
No no no you'll never win
(Sweet sweet, sweet talkin' guy)

It's My Life

This ain't a song for the broken-hearted
No silent prayer for the faith-departed
I ain't gonna be just a face in the crowd
You're gonna hear my voice
When I shout it out loud

**It's my life
It's now or never
I ain't gonna live forever
I just want to live while I'm alive (It's my life)
My heart is like an open highway Like Frankie said
I did it my way
I just want to live while I'm alive It's my life**

This is for the ones who stood their ground
It's for Tommy and Gina who never backed down
Tomorrow's getting harder, make no
mistake Luck ain't enough
You've got to make your own breaks

**It's my life
And it's now or never
I ain't gonna live forever
I just want to live while I'm alive (It's my life)
My heart is like an open highway Like Frankie said
I did it my way
I just want to live while I'm alive It's my life**

You better stand tall when they're calling you out
Don't bend, don't break, baby, don't back down

**It's my life
And it's now or never
I ain't gonna live forever
I just want to live while I'm alive (It's my life)
My heart is like an open highway Like Frankie said
I did it my way
I just want to live while I'm alive (It's my life)**

Under the Moon of Love

**Let's go for a little walk
Under the moon of love
Let's sit down and talk
Under the moon of love
I want to tell ya
That I love ya
And I want you to be my girl
Little darling let's walk, let's talk
Under the moon of love**

You look so lovely
Under the moon of love
Your eyes shine so brightly
Under the moon of love
I want to go all the time
You'll be my love tonight
Little darling let's walk
let's talk
Under the moon of love

I want to talk sweet talk
Whisper things in your ear
I want to tell ya the things
I know you've been waiting to hear
Come on little darling take my hand
Let's go for a little walk

You're My World

You're my world, you're every breath I take
You're my world, every move I make
Other eyes see the stars up in the skies
But for me they shine within your eyes
As the trees reach for the sun above
So my arms reach out to you for love
With your hand resting in mine
I feel a power so divine

You're my world, you are my night and day
You're my world, you're every prayer I pray
If our love ceases to be
Then it's the end of my world for me

With your hand resting in mine
I feel a power so divine

You're my world, you are my night and day
You're my world, you're every prayer I pray
If our love ceases to be
Then it's the end of my world
End of my world
End of my world for me
